

**MOST PEOPLE CAN'T WAIT FOR THE WEEKEND.
KIDS AT RISK OF HUNGER CAN'T WAIT FOR IT TO BE OVER.**

Did you know that 600 children in Spencer County, Kentucky eat meals at school during the week but are without affordable, healthy food on Saturday and Sunday? The consequences are much more than a growling stomach. Hunger can cause many physical health problems. It can shorten a child's attention span, lower their IQ, and keep them from making good grades.

THAT'S WHERE BLESSINGS IN A BACKPACK CAN HELP.

Our mission is simple. **We provide food on the weekends for school-aged children at Spencer County Early Learning Center who might otherwise go hungry.**

For less than **\$5** you can help provide one hunger-free weekend for a local child. Enough to keep hunger pangs at bay until children return to school on Monday morning. But the impact goes beyond that.

Kids who have enough to eat do better in school and feel cared for by their community. And the need grows every day.

**WHO WILL FEED THE KIDS THIS WEEKEND?
WE HOPE YOU WILL!**
